Meet the Artist

I am **Suruchi Purwar**, **founder** of **Ranggat** a creative space born from passion, tradition, and soulful expression. Through Ranggat, my vision is to preserve and redesign traditional art forms, Dot Mandala Art, Resin art, Texture art present them to the modern world without losing their original essence. My work has been recognized by the India Book of Records and the Harvard World Record. I am also the author of The King of Magnetic Dreams, a book that reflects imagination and creative depth. At Ranggat, we celebrate artistry, foster creativity, and transform art into a symbol of cultural pride and global expression.
